Dear Friends,

On behalf of the Ordered Liberty Program at the University of Louisville, I am writing to extend my deep condolences on the death of Father Michal Drożdż. An inspiring man of faith and towering academic leader, Father Drożdż was also a true friend of international academic dialogue and cooperation. We find solace in the fact that his memory lives on, in the thousands of students, professors, and administrators whose lives he touched and enriched forever.

Sincerely,

A handwritten signature in black ink that reads "Luke M. Milligan". The signature is written in a cursive, flowing style.
