Cottbus, 30 . September 2022

Dear Prof. Dr. Robert Tyrala,
dear colleague,

It was with great honour that I read your invitation to the inauguration of the academic year 2022/2023.

Unfortunately, despite all efforts, I am unable to attend the ceremonies due to earlier scheduled commitments.

I wish you a good and successful start in the new academic year and I am very much looking forward to continuing our fruitful cooperation.

Yours sincerely,
